

New Hope Creek Corridor Advisory Committee  
Minutes of May 12, 1993 meeting  
Resurrection United Methodist Church

Present: Robert Healy (temporary chairman), Ken Coulter, Jan Demmy, Muriel Easterling, Isaac Harold, Stella Maunsell, Fred Meier's alternate: Maggie Scarborough, Hildegard Ryals  
Absent: Jud Edeburn, Wade Penney, Mike Waldroup

Robert Healy opened the meeting shortly after 6 P.M. by asking everyone for introductions.

Reports on inquiries to fill the two landowner positions on this committee followed.

Jan Demmy contacted the Eno River State Park, who couldn't see a need for a permanent committee member, but would respond on occasion. It was suggested that Jan contact David Park, the State Park Superintendent.

Bob Healy talked to John Terborgh, who was interested, but is out of town a lot. Mr. Terborgh suggested that the landowners on Mimosa Drive would be good candidates. Mr. Klopfer was not contacted pending the Committee's reaction to the Mimosa Drive idea.

Hildegard Ryals talked to the Klings, who in turn are contacting the Hakins.

Stella Maunsell reported that an elderly Mr. Brown may be willing to sell the Brown Meadows. She felt that it was not appropriate to inquire about membership on this Committee at the time.

A discussion followed on disseminating information to the Committee about possible funding sources for land purchases and also about various ways land can be acquired through gifts, leases, easements and other landowner options.

Copies of a letter written by Bob DeMaine for TLC to Mr. Pizer were distributed.

Hildegard Ryals reported that she is attending a meeting of the 15-501 Corridor Study on May 13, from 3 to 6. Muriel Easterling will try to attend from 6 to 8, because there was a consensus that the New Hope Advisory Committee should be represented. They will arrange to have one of the consultants brief the Advisory Committee at the next meeting.

A discussion followed on the desirability of highlighting a map with current potential purchases. Ken Coulter has maps showing property owners which would be useful.

A motion was made to ask the Mimosa Drive group to nominate a member to be on the New Hope Advisory Committee. The motion was seconded and passed.

A motion was made to institute a practice of members appointing alternates in their absence, and so notifying the secretary. The motion was seconded and passed.

After discussion of the need for beginning a process of communication with planning staffs, it was suggested that the appropriate staff in each jurisdiction be notified of our next meeting.

Bob Healy advised that Mr. Pizer's lawyer, Mr. Pensler, be invited to come to our next meeting. Hildegard will see that Mike Waldroup receives DeMaine's letter and contacts Pensler.

Three possible dates were selected for our next meeting in order to give Mr. Pensler a choice. The dates were May 26 or 27, or June 8. The site is the Resurrection Methodist Church at 6:00 P.M.

Respectfully submitted
